

Dear Parents,

Attached you will find July and August calendars. I have listed facts and concepts that have been introduced to the children throughout the year. You can refer to the calendar as a minute review time. This will hopefully help your child to remember those skills that were taught this year.

I am also providing a summer book chart to record books read this summer. If your child returns the reading chart and calendars to their teacher, completed and signed by a grown up before the end of the first full week of school, they will receive a special prize!

Have a safe and happy summer.

Love,

# July 2015

Sun	Mon	Tue	Wed	Thu	Fri	Sat
